

## **CRITERIA FOR SPONSORING A MEETING**

### **Criteria**

- The event shall be scientific, non-discriminatory, non-political, non-profit;
- The objectives of the event shall be in conformity with and contribute to IUFRO's vision and mission;
- The decision whether an event is sponsored by IUFRO shall be taken by the Division/Task Force/Programme/Project Coordinator, if the event is linked to only one Division/Task Force/Programme/Project, or by one of the two Vice-Presidents of IUFRO, if the event is linked to more than one Division/Task Force/Programme/Project. The relevant Divisions/Task Forces/Programmes/Projects and the IUFRO Secretariat will be consulted accordingly.

### **Conditions**

- If an event is (co-)sponsored by IUFRO, IUFRO's logo shall appear on conference signs/accessories, proceedings and other publications coming out of the event;
- Any link made on IUFRO's webpage to the event webpage shall be reciprocated by the conference organizers;
- The permission to use IUFRO's logo does not imply financial assistance by IUFRO.

### **Benefits**

- The event will be announced in all IUFRO media (IUFRO news, website) with their worldwide distribution;
- The outcome of the event (reports, publications) will be published/advertised in the IUFRO media;
- Proceedings will be entered into IUFRO's on-line reference library and into IUFRO's on-line proceedings archive.
