Project Objectives

- To bring together perspectives and knowledge of students, educators and other stakeholders
- To encourage international discussions on forest education and capacity building
- To identify and communicate gaps and challenges in forest education
- To enhance forestry students' mobility and education opportunities

Work - Packages

- I. Global Outlook on forest education
- II. Higher forest education interactive tool
- III. Trainings for forestry students
- IV. Encouragement of students' involvement in IUFRO events and counterbalance of extracurricular students' activities
