

Global Landscapes Forum | Paris

Launching the new climate and development agenda

5-6 DECEMBER 2015

Global Landscapes Forum 2015 – Thematic Pavilion on Nature and Climate Change

6 December 2015, 10:30 – 11:00 a.m.

IUFRO booth D24 / Hall Maillot

Meet the authors of the newly launched book on

"Forests and Food: Addressing Hunger and Nutrition across Sustainable Landscapes",
and get to know this digitally enhanced version of the assessment report of IUFRO's Global Forest Expert Panel (GFEP) on Forests and Food Security.

These authors/editors will be present to share key findings of the study:

Bhaskar Vira: Editor and Coordinating Lead Author

Director, University of Cambridge Conservation Research Institute, and Chair of the IUFRO-led GFEP on Forests and Food Security

Christoph Wildburger: Editor and Lead Author

Consultant, Environmental Policy and Natural Resources Management, and Coordinator of the IUFRO-led GFEP initiative

Stephanie Mansourian: Editor and Lead Author

Consultant, Environment and Development

Terry Sunderland: Coordinating Lead Author

Principal Scientist, Center for International Forestry Research (CIFOR)

Henry Neufeldt: Coordinating Lead Author

Head of the Climate Change Unit at the World Agroforestry Centre (ICRAF)
