

11th International IUFRO Wood Drying Conference

Recent Advances in the field of Wood Drying

January 18th-22nd, 2010, Skellefteå, Sweden

The organizer: Luleå University of Technology, LTU Skellefteå, Division of Wood Physics & IUFRO 5.04.06 Wood Drying.

Announcement for Final Registration, Accommodation and Post-Conference Tour

The first IUFRO Wood Drying Conference was held in Skellefteå, Sweden 1987. We have now the pleasure to once again invite you for the second time to attend and contribute to the 11th International IUFRO Wood Drying Conference in Skellefteå, Sweden. The conference will provide a forum and an opportunity for international researchers to get together and exchange the latest research and developments within the field of wood drying in theory and applications.

On-line form for Final Registration, Accommodation, Post-Conference Tour and Payment

Please fill in all requested information in the final registration form found on www.wdc2010.org

Please note that:

- **Dead-line for early payment of Registration fees is October 20, 2009.**
- **Deadline for submission of final camera-ready papers is September 30, 2009.** When submitting final papers: please add a presentation with Title, Organization and a short description (2-3 sentences) of your background to be used by session chairman as an introduction of speaker.

Post-Conference Tour

Take the opportunity to spend some more time in the Lapland region and all it has to offer! We give you two different post-tours to choose from, each with high-lights from the region!

Kiruna and the world famous ICEHOTEL in Jukkasjärvi – Programme 1

Luleå with unique winter activities – Programme 2
