

Scandinavian Society of Forest Economics

*Workshop*  
*The forest sector in the biobased economy*  
*– perspectives from policy and economic sciences*

**August 28-29, 2013, Uppsala/Sweden**

**Workshop Venue**

The workshop will take place at Eklundshof in Uppsala. Eklundshof is a cosy place in the nature located between Uppsala city center and the campus of SLU. For more information about Eklundshof: <http://www.eklundshof.se/>

For the participants of our conference special-priced rooms are pre-reserved in the hotel at the conference venue (single room: 945 SEK/night, double room: 1215 SEK/night – incl. breakfast). Please make your room reservations on your own by referring to the confirmation number 111544.

**Public Transport:**

**By flight:** Stockholm-Arlanda Airport is close to Uppsala. To get to Uppsala, there are several airport shuttles and trains every hour from Arlanda Airport. The train departs directly in the airport between Terminal 3 and 4. The flygbussen has the number 801 and departs directly outside the terminals. Leave the bus at the final destination central station in Uppsala.

**By train:** Uppsala central station is well connected with Stockholm and whole Uppland, details for your travel plans you can find at the webpage: <http://www.sj.se/>.

**From Uppsala central station:** From Uppsala central station you can take the local bus (No 20 in the direction Graneberg or 110 or 115 in the direction Ultuna). Leave the bus at the stop Polacksbacken. Directly in front of the University is a roundabout, there you head downhill in the direction of Eklundshovsvägen. After 400m Eklundshof appears on the left hand.

**The organizers:** The conference is organized in collaboration between the Scandinavian Society of Forest Economics, SLU, University of Helsinki, Norwegian University of Life Sciences, University of Copenhagen.

**Workshop chair:** Anders Roos (Dep. of Forest Products /SLU)

**Workshop committee:** Daniela Kleinschmit, (SLU, Sweden); Anne Toppinen (University of Helsinki, Finland); Sjur Baardsen, Berit Hauger Lindstad (Norwegian University of Life Sciences); Bo Jellesmark Thorsen (University of Copenhagen, Denmark)

The conference is kindly sponsored by the Nordic Forest Research Co-operation Committee.
