Invitation

Operations Management in Wood Products Industries

2nd Symposium

Thursday, 17 May 2018

Start: 9am

University of Natural Resources and Life Sciences
Festsaal
Gregor-Mendel-Straße 33
A-1180 Wien

In May 2018 Dag Fjeld (NIBIO - Norwegian Institute of Bioeconomy Research) will visit the University of Life Sciences Vienna as a guest professor. We seize this opportunity and host the second symposium on “Operations Management in wood products industries”.

The goal of this conference is to introduce and discuss new challenges and solution approaches for the process improvement in the wood industry and its supply chain.

We invite and welcome everybody interested in operations management in forest based industries to spend a pleasant and informative day at BOKU.

Program:

09:00	Come Together	
09:30	Opening and welcome notes	Manfred Gronalt
10:00	Wood supply strategies – Scandinavian trends and highlights	Dag Fjeld
10:45	Wood procurement in Austria	Christoph Kogler
11:30	Sales and production planning: Models and implementations	Matthias Kaltenbrunner
12:15	Lunch and networking break	
13:30	Discrete event simulation and continuous improvement of industrialized housebuilding on-site processes: Do they fit together?	Wolfgang Grenzfurter
14:15	Digital business models	Manfred Gronalt
15:00	Closing and farewell notes	Manfred Gronalt
