Officeholder Information and Consent Form

Dear Incoming IUFRO Officeholder:

The data you submit via the online Officeholder Information and Consent Form, https://www.iufro.org/science/officeholder-information-and-consent-form/, will be entered into the IUFRO database to be used, in their entirety or in part, as follows:

1. **Establishment of an online datasheet on the IUFRO website**, for an example see: https://www.iufro.org/who-is-who/officeholder/template/

3. **Name and country**: to be mentioned on the homepage of the scientific unit of which you will be (Deputy) Coordinator, for instance: https://www.iufro.org/science/divisions/division-7/70000/70300/70305/

4. **Research focus**: to be mentioned on the expertise page of the scientific unit of which you will be (Deputy) Coordinator, for instance: https://www.iufro.org/science/divisions/division-7/70000/70300/70305/expertise/

5. **Email address**: to be included in IUFRO's webpage-based email distribution system for the mailing of publications such as IUFRO News, IUFRO Spotlights or other information about IUFRO (IUFRO World Congresses, Letter by the IUFRO President,…); to be further included in the list serve/mailing list relevant to the Division of your scientific unit for the mailing and/or discussion of information concerning publications, position announcements, events and other subject matter relevant to the Division.

6. **Country**: to be used for statistics on the geographical balance among officeholders.

7. **Gender**: to be used for statistics on the gender balance among officeholders.

8. **Employing institution**: according to the IUFRO Statutes and Internal Regulations, scientists coordinating an IUFRO unit shall be IUFRO members, either because they work at an IUFRO member organization or because they are associate (= individual) members.

9. **Academic title**: to be used for internal purposes of IUFRO to learn more about your training and work experience; also to be used for the above mentioned purposes by adding your family name.
Other data entered in our database

10. **Dates when you take up and when you resign from your office as**
    Coordinator/Deputy Coordinator of an IUFRO scientific unit; to be used for historic
    records of your scientific unit or for IUFRO Headquarters to know your personal history
    in IUFRO; accessible to database manager only and upon request to other IUFRO
    Headquarters staff.

11. **If you are an associate (= individual) IUFRO member**, your data will also be displayed
    on the IUFRO website under the section Associate members,
    [https://www.iufro.org/membership/associate-members/](https://www.iufro.org/membership/associate-members/).
    Please note that this page is in the "Member Zone" of IUFRO, which means that it is
    accessible only to IUFRO members (institutions, scientists working at an IUFRO member
    organization or other associate members, provided they have a user account at the
    IUFRO website and are logged in).
