Multi-stakeholder partnership and Coordination in the district of Rulindo (Northern Province, Rwanda)

By

Prosper Mulindwa

Vice Mayor- Rulindo District
Role of Government and Private sector

• Rulindo District provides enabling environment to support Private partnership (JADF); e.g.: Policy, strategy and infrastructure: roads, collection centers, etc.

• Private sector takes advantage of favorable working environment and makes sustainable investment.
Joint Action Development Forum

Is a consultative forum for district development stakeholders (CSOs, NGOs, Development Partners, Private and Public Sectors and Local Government). The ultimate goal of JADF Program is to improve and create sustainable economic development; service delivery and domestic accountability in local communities and building national development management Capacity.
Public Private Partnership
