The Joint IUFRO-IFSA TASK FORCE ON FOREST EDUCATION

GOALS 2019-2021

• Promoting and facilitating research and innovation around forest education.
• Fostering international networking on forest education especially using modern online communication and social media applications.
• Providing capacity building opportunities for students and young scientists in both generic and specific skills, in person and online.

ACTIVITIES

• Capacity building workshops and webinars
• Research and publications
• Online platform for forest education
• Networking and collaboration
